>
Even before I heard you were dead, I felt this sense of loss and dread
>
I thought that I heard your voice--impossible
>
I somehow felt that you were there, it must have been just a simple prayer
>
To see your face one more time--I was all alone
>
Now that I know, I won't let it go
>
It must have been some kind of sign
>
Chorus:
>
And now that you're dead
>
Just wanna be with you
>
Those tears I have shed
>
Wantin' to be with you
>
Wanna be with you
>
When you were there, you would always be the greatest warrior I would ever see
>
But more than that, you were my brother, my only one
>
Now that you're dead, for each tear I've shed
>
I wish I could see you once more
>
Chorus
>
And now that you're dead
>
(You were always there for me)
>
Those tears I have shed
>
(Just wanna be with you)
>
Repeat chorus
>
AN: Er. Don't like this one as much as the others. Very

repetitive. The whole idea is, when Ax was in the Dome ship after it crashed, he thought he saw Elfangor's face and heard his voice, but he told himself he must have been mistaken. Apparently he doesn't believe in angels. ^_* He wishes that for each tear he sheds, he had another oppertunity to see his brother.

End
file.
